

- State employees and officials using a State-assigned computer, mobile device, or other State equipment, shall follow applicable statewide and employer policies. The State Enterprise Information Systems Policy Instruments are located at <http://itsd.mt.gov/policy/policies>. Particular policies to note are: Statewide Information Systems Policy – User Responsibility; and Statewide Information Systems Policy – Internet Acceptable Use.
- The Network may not be used for illegal or inappropriate purposes. Such purposes include, but are not limited to: profane language or content; sexual content or links thereto; and defamatory content. For State employees and officials, inappropriate use also includes private business activities or political purposes and use that is inconsistent with an agency's mission and the general standard that an employee's work be conducted in a professional and courteous manner.
